# MILLAN MAKOKHA

## Multidisciplinary designer

### CAREER OBJECTIVE

I am an enthusiastic and innovative individual with a strong drive, looking to secure a position in the graphic and UI/UX design field. My aim is to leverage my knowledge and expand my skills set, and make valuable contributions to the growth and improvement of the organization.

### PROFESSIONAL PROFILE

I am a highly motivated and skilled student with a passion for graphic and UI/UX design. I am knowledgeable in a variety of software tools including; Adobe Illustrator, Adobe Photoshop, Adobe InDesign, Adobe XD and Figma. I am also a natural collaborator and thrive in a team-oriented setting. I am currently seeking an internship opportunity at a technology company where I can gain valuable insights from industry professionals and apply my skills.

### WORK

### EXPERIENCE

*CREATIVE BUNIFU VENTURES LTD 2023-JUNE 2024*

As an intern at Bunifu Ventures, I was able to accomplish and learn the following:

- Designed marketing materials for Bunifu.
- Managed administration for Bunifu's social media.
- Developed and implemented successful marketing strategies for clients.
